

# NO! FASCIST “SPEECH” WEEK!

# NO! WHITE SUPREMACY, MISOGYNY, DEPORTATIONS, XENOPHOBIA AND WAR!

# NO! TO THE TRUMP/PENCE FASCIST REGIME AND ITS PARADE OF GHOULS!

A parade of white supremacists, internet cranks, woman-haters, terrorizers of immigrants, and high level operatives and salivating sycophants of the Trump/Pence Regime is targeting Berkeley. They pose as “victims” whose right to express themselves is suppressed, but they are attack dogs for the Trump/Pence Regime as it uses the full power of the state to not only suppress the voices of, but to shatter the lives and futures of, millions all over the world.

This lowlife bunch has ridiculed rape victims, celebrated sexual harassment, opposed women’s right to vote, and blamed women for their own discrimination – and they dare to kick off with a “Feminism Awareness Day” as if the real problem were women standing up against this shit?

This pack of murderous liars, straight-up war criminals, & anti-Muslim bigots has proclaimed “Islam is AIDS” (Milo), said “**We should invade their countries, kill their leaders and convert them to Christianity**” (Coulter), portrayed *all* Muslims as violent terrorists (Geller), and led a mercenary army that massacred 17 civilians in Nisour Square, Iraq (Erik Prince) – and they dare point the finger at all Muslims as intolerant and violent!?

They intend to cap their week off with a “Mario Savio Award.” **Mario Savio and the Free Speech Movement defied campus administration and police to put their bodies on the line against white supremacy and bigotry.** Yet the idiot clown Milo and the rest will congratulate themselves for their “courage” in giving a platform to the **bigoted white supremacist and chief architect of the Trump/Pence Fascist Regime, Steve Bannon**, and for whipping up the mob to turn in undocumented students and beat protesters, all while hiding behind a wall of militarized police protection bused in from around the state.

**This is not about “Free Speech.”** This is about normalizing fascism on campus in the service of the Trump/Pence Regime. They are targeting Berkeley because it has been a site and symbol of resistance --- and *this* is what they want to erase.

What’s at issue is not just student safety and academic disruption. The disruption and terror these fascists are bringing to campus is but a small taste of the nightmare the Trump/Pence Regime is imposing on humanity. There is no safe space under fascism. Don’t go to class. Don’t stay home. **Fascism cannot be ignored, it must be confronted.**

**The battle for the soul of Berkeley is a key front in the fight to drive this regime from power. Start organizing for November 4th**, when people across this country will take to the streets day after day and night after night, growing from thousands to millions and refusing to stop until our demand is met: **This Nightmare Must End: The Trump/Pence Regime Must Go!**

**All Week:** Act with courage and resolve.

**Tues 3pm, Lower Sproul Plaza:** Protest their Muslim-bashing.

**Wed 3pm, Sproul Plaza:** All Out Against Steve Bannon, chief architect of the Trump/Pence Regime.

**This Nightmare Must End: The Trump/Pence Regime Must Go!**
