JOIN US – Take to the streets and public squares across the country, beginning a movement of protests that continue day after day and night after night. A movement working to grow from thousands to hundreds of thousands and eventually millions. A movement determined to not stop until our demand is met:

THIS NIGHTMARE MUST END: THE TRUMP/PENCE REGIME MUST GO!

Our actions will reflect the values of respect for all of humanity and the world we want—in stark contrast to the hate and bigotry of the Trump/Pence fascist regime.

Our determination to persist and not back down will compel the whole world to take note. Every force and faction in the power structure would be forced to respond to our demand. The cracks and divisions among the powers evident today will sharpen and widen. As we draw more and more people forward to stand up, all of this could lead to a situation where this illegitimate regime is removed from power.

Spread the word and organize. Be a part of making history. Don't let it be said that you stood aside when there was still a chance to stop a regime that imperils humanity and the earth itself. Join us in taking to the streets and the public squares day after day and night after night. **Let's stand together with conviction and courage, overcoming fear and uncertainty, demonstrating that:**

**In the Name of Humanity,
We REFUSE to Accept a Fascist America!
This Nightmare Must End:
The Trump/Pence Regime Must GO!**
