

## In the Name of Humanity, We Refuse to Accept a Fascist America

**RefuseFascism.org** is a movement of people coming from diverse perspectives, united in our recognition that the Trump/Pence Regime poses a catastrophic danger to humanity and the planet. And, that it is *our* responsibility to drive them from power through mass nonviolent protest that ultimately involves millions.

On November 4, 2017 four thousand people protested with courage and conviction in 24 cities defying a wave of fascist lies, threats, and even armed thugs in some places, to demand: ***The Trump/Pence Regime Must Go!*** Let's build on this. Now is the time to join this great cause to drive out this regime before it becomes too late.

**RefuseFascism.org** **NO!**
