

On August 26 nationwide, join RefuseFascism.org to bring this message into protests against Brett Kavanaugh:

STOP THE APPOINTMENT OF BRETT KAVANAUGH TO THE SUPREME COURT!

THIS NIGHTMARE MUST END: THE TRUMP/PENCE REGIME MUST GO!

In the Name of Humanity, We REFUSE to Accept a Fascist America!

THE TRUMP/PENCE REGIME has already done shocking damage: from Trump's Muslim Ban to his open encouragement of murderous white supremacists and Nazis, from his flippant threats of nuclear annihilation to his vile misogyny, threats against the media, and even tearing immigrant children from parents.

*If left in power, the Trump/Pence regime will effect a thoroughly reactionary restructuring of society. **Nothing short of removing this entire regime will stop this nightmare.*** (From the RefuseFascism.org Call to Action)

Now, with the appointment of Brett Kavanaugh to the Supreme Court, the Trump/Pence Regime is poised to impose an extreme and long-lasting transformation of the legal system in this country – a major leap in the consolidation of fascism.

This must be stopped!

It's not just that Kavanaugh would eviscerate women's fundamental right to decide for themselves whether to bear children – which alone would be reason enough for millions to rise in massive political revolt. With Kavanaugh, the Supreme Court would be a rubber stamp to the whole Trump/Pence agenda: shredding the separation of church and state in favor of Christian fascism against women, LGBTQ people, science, and the environment; backing xenophobic ethnic cleansing of immigrants and terror against Black people to "Make America WHITE Again"; eviscerating civil liberties, the separation of powers, and the rule of law; unleashing even more vicious torture and military aggression against the people of the world.

The time to act is NOW — this nomination must be STOPPED! If Trump is allowed to consolidate a fascist Supreme Court, we will be fighting on much more difficult and dangerous ground. And if this goes down without a huge social battle to stop it, we will be fighting under conditions where accommodation, not resistance, has greater initiative.

We must put ourselves on the line – through acts of nonviolent political protest and courageous resistance – to stop this confirmation.

Most of all, we must do this in a way that **builds the unity and strength needed to launch a nationwide struggle beginning with tens of thousands in cities across the country that continue day after day and DO NOT STOP until the demand—This Nightmare Must End: The Trump/Pence Regime Must Go!—is met.** All who want to fight for a better future need to forge the unity to stop this fascism before it is too late.

WE PLEDGE that we will not stand aside while there is still a chance to stop a regime that imperils humanity and the earth itself. Join us. Let's stand together with conviction and courage, overcoming fear and uncertainty, to struggle with all we've got to demand: The Trump/Pence Regime Must Go. (From the RefuseFascism.org Call to Action)
