We Must Be In the Streets, Beginning the Day After the Midterm Elections

Protest Wednesday, November 7 – the day after the midterms, and

Protest Saturday, November 10

TO DEMAND AND DEMONSTRATE OUR DETERMINATION THAT:
IN THE NAME OF HUMANITY,
THE TRUMP/PENCE REGIME MUST GO!

These are *not* “normal” times. For nearly two years, the Trump/Pence regime has maneuvered through one shocking crime against the people after another, burying each under yet another monstrous offense. Muslims banned. Immigrant children languishing in concentration camps. White supremacy riding high. Women and LGBTQ people slammed backwards. Threats of nuclear war. Accelerated environmental destruction. A pro-fascist majority on the Supreme Court.

Trump’s “Make America Great Again” is a 21st century fascist program of Manifest Destiny – “America First” – wrapped in the flag and Mike Pence’s Bible taken literally, with a program of white supremacy, misogyny, and xenophobia.

This emergency will *not* – and *cannot* – be redressed through the normal process of elections.

Would a “Blue Wave” really temper the belligerent bigotry of Trump, a man who lashes out and bludgeons past every obstacle? Could a “Blue Wave” reverse the fascist judges already packed onto the courts? And what if the Republicans win? The Trump/Pence regime – and their whole fascist party – will be even more emboldened to “run the table” and lock in their nightmare.

Fascism can come to power through the normal processes of elections and laws, *but it cannot be removed from power in that way.*

But there IS a way to stop the Trump/Pence regime. A determined struggle of the people that doesn’t yield and won’t be provoked can create the kind of political crisis that compels their removal from power. We are talking about *massive protests that don’t end after one day – but come back day after day after day, growing to millions raising the demand: THIS NIGHTMARE MUST END: THE TRUMP/PENCE REGIME MUST GO!*

RefuseFascism.org is organizing *now* to get in position to launch this struggle at the soonest possible time. Protesting the day after the midterms, when the whole country will be thinking about what the elections mean for Trump’s future, will put before the people the truth: *no matter who wins, the only real way to stop the Trump/Pence regime will be through determined struggle in the streets.*

Donate and start organizing with RefuseFascism.org today to help wake and mobilize the *one force* that can stop a fascist America – millions of people in the streets saying:

**NO! In the Name of Humanity, We REFUSE to Accept a Fascist America!
This Nightmare Must End: The Trump/Pence Regime Must Go!**

RefuseFascism.org is a movement of people coming from diverse perspectives, united in our recognition that the Trump/Pence Regime poses a catastrophic danger to humanity and the planet, and that it is our responsibility to drive them from power through massive nonviolent political protest. We are united in these demands:

**This Nightmare Must End: The Trump/Pence Regime Must Go!
IN THE NAME OF HUMANITY, WE *REFUSE* TO ACCEPT A FASCIST AMERICA**
