RefuseFascism.org is a movement of people coming from diverse perspectives, united in our recognition that the Trump/Pence Regime poses a catastrophic danger to humanity and the planet, and that it is our responsibility to drive them from power through non-violent protests that grow every day until our demand is met. This means working and organizing with all our creativity and determination to bring thousands, eventually millions of people into the streets of cities and towns, to demand: **This Nightmare Must End: The Trump/Pence Regime Must Go!** RefuseFascism.org welcomes individuals and organizations from many different points of view who share our determination to refuse to accept a fascist America, to join and/or partner with us in this great cause.
