

Come to a **Mass Meeting Sunday Sep 29**

2:00PM • LGBT CENTER • 208 WEST 13TH STREET

to Consider and Plan for
Sustained Non-Violent Mass Protest Beginning this October
THE TRUMP/PENCE REGIME MUST GO - NOW!

Puerto Rico and Hong Kong show the way – Thousands Becoming Millions

We Must Take to the Streets in Non-Violent Protest
Week After Week becoming Day After Day,
Not Stopping Until the Demand is Met:

THE TRUMP/PENCE REGIME MUST GO - NOW!

Concentration Camps on the border... the earth melts and burns... the danger of war, even nuclear... white supremacy rules... fascist mobs and mass murderers... truth and science erased... the right to abortion near gone... democratic and civil rights stripped away... **THIS IS FASCISM UNFOLDING.**

The Democratic Party facilitates all of this – refusing to call this regime what it is – fascist. With the Democratic Party making the move to open an impeachment inquiry – NOW is the time to seize the potential opening here, to bring thousands forward to recognize the need and possibility to drive this fascist regime from power, and to get these thousands in the streets, with the aim of thousands leading to millions.

Waiting on 2020 is immoral and dangerous: **If you will not take to the streets now, what will you do if Trump wins? What will you do if he loses, but refuses to leave office?** History shows it can become too late to stop fascism.

To NOT ACT IS COMPLICITY.

The world as we have known it is being torn asunder. This requires getting out of our comfort zones and not allowing our differences to stand in the way of rising together in an unprecedented, unrelenting mass struggle to confront the danger of a Trump/Pence fascist America. The Trump/Pence Regime Must Be OUT NOW!

RefuseFascism.org is a movement of people coming from diverse perspectives, united in our recognition that the Trump/Pence Regime poses a catastrophic danger to humanity and the planet, and that it is our responsibility to drive them from power through non-violent protests that grow until our demand is met: **This Nightmare Must End: The Trump/Pence Regime Must Go!** We welcome individuals and organizations from many different points of view who share our determination to refuse to accept a fascist America, to join and/or partner with us in this great cause.
