

# **TrumpPenceOutNOW! Pledge**

**Call/Response by rally**

We pledge that we will not stand aside while there is still a chance to stop a regime that imperils humanity and the earth itself.

4 more months. 4 more years. The hour is late.  
The bell tolls. If we wait we could lose the world.

This must be our time.  
Not Trump's.  
Not his fascist goons'.

We will not become collaborators on a march to a racist genocide.  
We will not hand the future to scorchers of the planet.  
We will not rest until this fascist regime is driven from power.

In the name of humanity, we refuse to accept a fascist America.

We pledge to show the world that we rose,  
many acting together to change the course of history,  
staying in the streets, bringing others with us,  
not backing down until our demand is won:

**Trump/Pence Out Now!**
