

Pledge to Resist

to be rehearsed and read with emphasis at rallies

In the name of humanity, we refuse to accept a fascist America.

We pledge:

We will not stand aside

While there is still a chance to stop a regime that imperils the people of the world and the earth itself.
While the Trump/Pence regime attempts to undermine or steal the election

We do not comply with a regime:

putting targets on the backs of Black, brown, and Native people
denying women control of their own bodies
forcing LGBTQ people back into the closet

We do not accept:

a society ruled by hate and bigotry, ignorance and brutality,
demeaning and cursing other peoples and countries
threatening them with destruction
We will not worship the flag or accept a theocracy

There can be:

no more children torn from parents and locked in cages,
no more fire and fury from the mouth of a demented bully with his finger on the nuclear trigger,
no more “law and order” of official terror by bullets, batons, and tear gas,
no more mass COVID death from science-hating lunacy.

We will not become collaborators on a march to a racist genocide.

We will not hand the future to scorchers of the planet.

We will not rest until this fascist regime is driven from power.

The bell tolls. 4 more years, 4 more months

and it could be too late to stop a fascist America

Here and Now, we pledge to unite in our millions

rising together in nonviolent resistance, to stop a great horror.

We pledge to stay in the streets, overcoming fear and uncertainty,

until this American fascism is brought to a halt.

We Demand:

Trump/Pence Out Now!

We will not stop

Until they're gone.

We pledge our determination to prevail over a regime that imperils the people of the world and the earth itself.

In the name of humanity, we refuse to accept a fascist America.
