Reminder to Organizers on Unity of our movement, below:

Refuse Fascism is a movement of people coming from diverse perspectives, united in our recognition that the Trump/Pence Regime poses a catastrophic danger to humanity and the planet, and that it is our responsibility to drive them from power through non-violent protests that grow until our demand is met: This Nightmare Must End: The Trump/Pence Regime Must Go!

We welcome individuals and organizations from many different points of view who share our determination to refuse to accept a fascist America, to join and/or partner with us in this great cause.

Refuse Fascism as an organization does not take a position on voting, but has analyzed that relying on voting, without a mass movement of sustained, non-violent protests, would not be enough to resolve this deep crisis.
