Here and Now, we pledge to unite in our millions
rising together in nonviolent resistance to stop a great horror.

We pledge to stay in the streets, overcoming fear and uncertainty, until this
American fascism is brought to a halt.

**We pledge our determination to prevail over a regime that imperils the
people of the world and the earth itself.**

In the Name of Humanity, We REFUSE to Accept a Fascist America

We do not comply with a regime:

putting targets on the backs of Black, brown, and Native people
denying women control of their bodies
forcing LGBTQ people back into the closet

We do not accept:

a society ruled by hate and bigotry, ignorance and brutality,
demeaning and cursing other peoples and countries
and threatening them with destruction

There can be:

no more children torn from parents and locked in cages,
no more fire and fury from the mouth of a demented bully
with his finger on the nuclear trigger,
no more mass COVID death from science-hating lunacy
no more "law and order" of official terror by
bullets, batons, and tear gas

No longer can we live with:

howling mobs resurrecting Jim Crow
fascist thugs attacking our protests
the right to vote stolen by defenders of the Confederacy
We will not worship the flag or accept a theocracy.
We will not become collaborators on a march to a racist genocide.
We will not hand the future to scorchers of the planet.

4 more years, 4 more months, and it could be too late
to change the course of history as the Trump/Pence regime
sabotages the election and drags humanity to the edge of extinction.
