Trump is already stealing the election. Black and Latino people forced to stand in line 12 hours to vote, mail-in drop off locations shut down during a pandemic while armed white supremacist MAGA militias are being mobilized to intimidate. NOW IS THE TIME to STAND TOGETHER in the STREETS and PUBLIC SQUARES EVERYWHERE.

We must vote in big numbers. But, the reality is that voting alone will not stop Trump. The illegitimate rushed confirmation of a theocratic fascist, Amy Coney Barrett to the Supreme Court is for the immediate purpose of throwing the election to Trump should he lose. Trump and Amy Coney Barrett refuse to commit to a peaceful transfer of power. We face a rolling coup -- a theft of an election -- heading to a showdown November 3.

Let's unite and rise like we did in the Spring for Black lives, coming back day after day in non-violent protest -- now united by the demand Trump/Pence OutNow! and refusing to stop till they're gone.

If we base what we do on "news" dominated by the unrelenting hatred and threats at Trump's rallies on the one hand, and "polls" that Biden is winning and Biden urging us to "just vote" while the Trump/Pence regime steals the election on the other hand, humanity will lose.

We can change the political situation, holding fast to principles of non-violence, yet determined to prevail. Our numbers, our diversity, and our heart for humanity can sustain us through whatever the Trump/Pence regime tries to do to remain in power. As we grow, we will inspire millions more to join this great struggle, until those in power, to stem the rising tide of protest, are compelled to concede to our single demand that the regime must go.

Come one and all into the public square for mass protest to demand Trump/Pence Out Now! Let us show the world that we are uniting, with courage and conviction, to drive Trump and Pence from power.

## **We do not comply with a regime:**

putting targets on the backs of Black, brown, and Native people  
denying women control of their bodies  
forcing LGBTQ people back into the closet

## **We do not accept:**

a society ruled by hate and bigotry, ignorance and brutality,  
demeaning and cursing other peoples and countries  
and threatening them with destruction

## **There can be:**

**no more** children torn from parents and locked in cages,  
**no more** fire and fury from the mouth of a demented bully  
with his finger on the nuclear trigger,  
**no more** mass COVID death from science-hating lunacy  
**no more** "law and order" of official terror by  
bullets, batons, and tear gas

## **No longer can we live with:**

howling mobs resurrecting Jim Crow  
fascist thugs attacking our protests  
the right to vote stolen by defenders of the Confederacy  
**We will not** worship the flag or accept a theocracy.  
**We will not** become collaborators on a march to a racist genocide.  
**We will not** hand the future to scorchers of the planet.  
4 more years, 4 more months, and it could be too late to  
change the course of history as the Trump/Pence regime  
sabotages the election and drags humanity to the edge of extinction.

**Here and Now**, we pledge to unite in our millions rising together in nonviolent resistance to  
stop a great horror. We pledge to stay in the streets, overcoming fear and uncertainty, until  
this American fascism is brought to a halt. We pledge our determination to prevail over a  
regime that imperils the people of the world and the earth itself.
