

From RefuseFascism.org, November 4:

EMERGENCY!

COME OUT TODAY, ACT TO OPPOSE TRUMP'S ATTEMPT TO STEAL THE ELECTION AND VIOLENTLY IMPOSE A FASCIST AMERICA ON THE WORLD!

Trump has been stealing the election and threatening violence for months, with all this rising to a crescendo in the days before the election. Now he claims victory demanding that the counting be stopped immediately – with millions of ballots yet to be counted, *overwhelmingly from the urban cores where Black and Latino voters are concentrated!!* **NO!** Trump's demand is illegitimate, utterly racist, and would complete the theft of the election and the imposition of fascism.

Further: White supremacy is **illegitimate**. Patriarchal theocracy is **illegitimate**. **FASCISM IS ILLEGITIMATE!**

It is urgent – it is more important than ever — that we reject this, powerfully and in our masses, by taking the streets in nonviolent, creative, and determined action, *sustained until this regime is gone and this nightmare is ended.*

TRUMP/PENCE OUT NOW!
