

Trump Must Go NOW!

**In The Name of Humanity,
We Refuse to Accept a Fascist America**

NOW IS THE TIME WHEN WE MUST RISE UP AND ACT TO STOP THE CONSOLIDATION OF TRUMP MAGA FASCISM. For the lives of people here and around the world we must refuse unlawful and inhumane orders... we must fill the streets and town squares in rising numbers — not stopping until we become millions — not relenting until this regime is no longer able to implement its program.

It is unconscionable and dangerous to act as if fascism cannot happen in America. It is unacceptable to conciliate or accommodate in the name of protecting a few, when each day the mechanisms of fascism are rapidly being hammered into place – locking in a future that imperils all.

"Fascism" ... is a radically oppressive and repressive form of rule over the people of this country, with devastating impact on the people of the world. The rule of law is shredded. Civil and democratic rights are eliminated. Dissent is piece by piece criminalized. The truth is bludgeoned. Group after group demonized and targeted along a trajectory that leads to catastrophe.

We refuse to live in a society where the fight for equality of all people – no matter their race, gender, sex, nationality, or immigration status is mocked, vilified, and even forbidden.

WE DO NOT ACCEPT THEIR FUTURE!

There can be no conciliation or collaboration between the world we want and the country they want. We have no common cause with MAGA fascism.

There *is* a way to defeat this:

Millions in the streets in nonviolent protest, not allowing business as usual when that business is cementing fascist rule with the vilest degrading morality shoved down our throats. MANY VOICES AND BODIES DEMANDING: THE TRUMP FASCIST REGIME MUST GO! With this we can and must create a political crisis in which the Trump regime cannot govern and implement their fascist program or even maintain his hold on power.

Waiting for the next elections will be too late.

NO! We must organize and struggle as we never have before. We must not allow ourselves to be divided and conquered. We must unite all who can be united from many different viewpoints and perspectives, to foster and draw on a collective spirit of courage and righteous fury and willingness to make the necessary sacrifices, for the greater good of defeating this fascism. We in our millions are a force powerful enough to defeat Trump/MAGA fascism.

Let the world see our determination and courage and hear our righteous demand:

**The Fascist Trump Regime Must Go
NOW!**

**In The Name of Humanity, We
Refuse to Accept a Fascist America**
