

## Refuse Fascism Emergency Assemblies

### Urgently Needed: A Movement of Millions Demanding "Trump Must Go!"

Sunday April 27  
Chicago, LA & NYC  
See RefuseFascism.org for info

Why is Trump/MAGA fascism a **threat to humanity**?

What will it take to stop it?

How do we galvanize millions into the kind of mass struggle that is needed?

The Trump regime is speeding toward the consolidation of fascism, a change in the way this country is governed, with disastrous consequences for people all over the world. Urgently needed, *and* possible: A sustained, non-violent mass movement that grows in numbers and determination **to become powerful enough to create a profound political crisis - such that Trump cannot implement his program or even maintain his hold on power.** Join an emergency assembly of people who want **to get on a mission to defeat Trump/MAGA fascism with their talents, creativity, networks, and resources!** Hear from people, from diverse political perspectives, who are sounding the alarm and uniting with Refuse Fascism's *Call to Conscience...Call to Act*. Be part of spreading far and wide this essential slogan and demand:

**NO! In The Name of Humanity, We Refuse to Accept a Fascist America The Trump Fascist Regime Must Go!**

*RefuseFascism.org works to unite all who can be united to join in mass, nonviolent protest and resistance in the streets and throughout society, growing to include millions and refusing to stop until we create such a profound political crisis that Trump cannot impose his fascist program or even maintain his hold on power.*
