

Refuse Fascism Emergency Assembly:
ORGANIZE, STRATEGIZE, MOBILIZE, & DEMAND:
THE TRUMP FASCIST REGIME MUST GO NOW!

Sunday April 27
NYC - Chicago - Los Angeles
Register to receive details of the assembly

The advance of fascism has taken a major leap. Anyone who Trump deems a “threat” or an “enemy” – or anyone who is simply swept up by accident – could be disappeared to rot or be tortured in a foreign prison until they die. This is not a drill.

The Trump/MAGA regime is accelerating its attacks on every institution and whole groups of people to cement in a fascist America. NO! We have a fighting chance to defeat Trump/MAGA fascism with a powerful non-violent mass movement and a single unifying demand:
Trump Must Go Now!

People are stirring. The awakening in society to what we are facing can and must spread quickly. This is the moment to seize! Join an emergency assembly of people who want to get on a mission to defeat Trump/MAGA fascism. Offer your talents, creativity, networks, and resources to galvanize millions into the kind of mass struggle that is needed and possible.

All who support this demand are invited to come together in unity to make possible:

NO! In The Name of Humanity, We Refuse to Accept a Fascist America
The Fascist Trump Regime Must Go NOW!

RefuseFascism.org works to unite all who can be united to join in mass, nonviolent protest and resistance in the streets and throughout society, growing to include millions and refusing to stop until we create such a profound political crisis that Trump cannot impose his fascist program or even maintain his hold on power.
