

EMERGENCY!

Free Kilmar Abrego Garcia now!

There is still time to stop fascism, *but we must act.*

In the NAME of HUMANITY,

WE REFUSE to ACCEPT a FASCIST AMERICA!

The TRUMP FASCIST REGIME MUST GO NOW!!!

Last week, the Supreme Court ruled that the Trump administration must take steps to “facilitate” the return of Kilmar Abrego Garcia to the United States. Kilmar is a legal U.S. resident, and several members of the Trump administration have admitted that he was wrongly and unlawfully deported. And yet, they are refusing to comply with the court and bring Garcia home. Trump also threatened US citizens when meeting with Salvadoran President Nayib Bukele, saying: “The homegrowns are next... You gotta build about five more places. ...It's not big enough.”

If Trump can defy the Supreme Court and get away with deporting and jailing innocent persons, this means that *nobody* will have any rights that the Trump fascist regime is bound to respect.

This is a pivotal juncture in the consolidation of a Trump Fascist America.

There is still time to stop this **but only if we act now...in our thousands and millions...going into the streets and building to the point where through massive non-violent action we create a situation in which the Trump regime cannot govern and implement its fascist program or even maintain its hold on power.**

Act NOW! Rally others...we must become millions saying NO! We Refuse to Accept a Fascist America.
