

June 14: TRUMP'S MILITARY PARADE MUST BE OPPOSED!

DEMONSTRATE in Washington, D.C.
and All Over the Country to say:

THE TRUMP FASCIST REGIME MUST GO NOW!

Right now, we are being ruled by a **fascist regime**. It is rapidly moving to cement into place a fascist America. This fascism must be defeated. The regime must be driven from power through nonviolent but relentless protest of millions **BEFORE IT BECOMES TOO LATE**.

Right now, **we must act**.

On Saturday June 14, Trump's birthday, he has called a military parade in Washington, D.C. This is a major move to create an army loyal *not* to the rule of law, but to Trump personally – with all the racism, misogyny and MAGA “America First” hate this involves.

On this day, in Washington, D.C. and in protests across the country, our voices must ring out:

IN THE NAME OF HUMANITY, WE REFUSE TO ACCEPT A FASCIST AMERICA!

Yes, it really is this urgent. The truth is this: it can become too late.

Each day sees new outrages against the rule of law, new threats against Trump's “enemies.” Immigrants snatched out of cars while their children wait in terror... trans people vilified... universities bled... judges and politicians threatened and *arrested*... law firms blackmailed. Meanwhile, Trump bullies the world.

THE TRUMP FASCIST REGIME MUST GO NOW

Reaction, revenge and hypocrisy saturate society. The hard-won rights and respect that people shed blood for are ridiculed and reversed. MAGA leaders give Nazi salutes, while the regime slanders protestors against genocide in Gaza as “anti-Semitic.” The Big Lie is on steroids. Truth is whatever the fascist regime says it is. Cruelty, corruption and spectacle are glorified while human decency is mocked.

This fascism has deadly momentum and focused intent. Waiting for the 2026 elections banks on illusion at a time when illusions are the deadliest narcotic of all. The situation demands of us “the fierce urgency of NOW.”

Trump's June 14 Military Parade is designed to send a message of intimidation and fear here and around the world. It Must Be Opposed!

Already, Trump is moving to eradicate any mention of racial or gender discrimination within the military, declaring at West Point: “All of its ended...they're not even allowed to think about it anymore.” Already, Trump purged the Joint Chiefs of Staff of Black and female members. Already, military bases are renamed to honor pro-slavery Confederates. Trump aims to Nazify the military.

In Trump's first term, he spoke of using “nukes” overseas and ordering the military to shoot protestors at home—but others in his administration opposed him. Now there is nobody within this administration to oppose Trump. *It falls to us.*

In the early afternoon of June 14, RefuseFascism.org calls on you to join with us and others in a non-violent march to the White House. Let us show the world that we will not shrink from our responsibility to act in the name of humanity. We refuse to accept a fascist America. The capital must not be ceded to Trump's fascist parade.

*Our protest is an urgent call to all: Standing aside, accommodating, or appeasing a fascist regime is the road to great horrors. This must be a time of courage and determination. And, yes, **Refuse Fascism calls on people everywhere to join with the No Kings Day Protests across the country and raise this same simple, powerful and true message:***

TRUMP MUST GO NOW!

Protest in Washington D.C. on Saturday June 14

**1:00 pm Logan Circle – MARCH to the
White House**
