

# EVERY WED @ 6PM BRING THE NOISE!

Blow whistles • Bang pots and pans • Lean on your car horn  
Disrupt business as usual for 15 minutes

**TRUMP MUST GO NOW!  
SHUT DOWN ICE!  
NO MILITARY OCCUPATION!  
STOP STARVING GAZA!**

## SHUT DOWN THE WHOLE TRUMP FASCIST REGIME

Make 15 minutes of noise, loud and clear, that disturbs the air of normalization and disrupts business as usual... because there can be no business as usual when that business is cementing fascist rule.

**Right Now the Trump fascist regime is**

- Disappearing immigrants in broad daylight
- Threatening to strip citizenship from naturalized people
- Placing Trump above the law and the U.S. Constitution
- Celebrating sadistic detention centers like Alligator Alcatraz
- Escalating genocidal starvation in Gaza and urging Israel to "finish the job"
- Vowing to crush sanctuary cities and take over Democratic Party strongholds by force

We blow whistles and bang pots and pans and blare our horns to say:

This must stop. **In the Name of Humanity, We Refuse to Accept a Fascist America.**

**15 minutes** of noise every Wednesday to build up the networks, habits, and culture of nonviolent resistance in neighborhoods, workplaces, and schools, so that by the fall, it becomes a known mass phenomenon that the joyful, defiant, unmistakable noise at 6pm is the people demanding Trump Must Go Now!

**15 minutes** to begin organizing collective noncompliance to every fascist order in every institution. Building streams of resistance into millions: in the streets, the schools, jobs, hospitals, courthouses... all refusing to let Trump rule with fascist intimidation and terror!

**15 minutes** to actively prepare for the time that must come soon when millions are acting together to grind the machinery of the Trump regime to a halt, refusing to stop until the regime is removed from power.

**15 minutes** to wake up and challenge all the decent people to wage a fierce struggle for the future ... to stop being bystanders to growing horrors while fascist rule is consolidating ... to stop waiting for an election in 2026 and 2028 that fascists are already trying to subvert.

Every Wednesday these disruptions must grow and spread through cities and towns and on highways and subway routes as people connect with others and develop forms for noncooperation and noncompliance with this fascist regime to bring into their workplaces, schools and communities. Every Wednesday more people are joining the noise & raising the demand The Trump Fascist Regime Must Go Now and distributing whistles as a tool to warn others about Trump's ICE Gestapo and sharing with each other ways to join the mass defiance needed all week long. Millions hate this regime, yet too many are learning to accommodate and accept Trump's fascist rule as legitimate and inevitable. This air of conciliation must be broken. The emergency is now.

Imagine truly massive numbers of people walking out of work and school, refusing to follow fascist orders, nonviolently overwhelming ICE's ability to violate people's rights and lives, defying censorship, and flooding the streets with our righteous fury and love for humanity.

Creating such a profound political crisis that the regime **cannot carry out their fascist program; cannot govern the country; and cannot hold onto power.**

**Every City, Every Town, Every Wednesday at 6:00 pm for 15 minutes...**

Blow your whistles, bang pots and pans, play instruments and noisemakers, lean on your car horn!  
Because there is a fascist regime in power and only the people can drive it out.

**TRUMP MUST GO NOW!  
IN THE NAME OF HUMANITY,  
WE REFUSE TO ACCEPT A FASCIST AMERICA!**
