Nation Sets Its Sights on Building Sane Economy

True Cost Tax, Salary Caps, Trust-Busting Top List

By T. VERLEN

The President has called for swift passage of the budget, but a new Economy (O.A.N.E.) bill. The overhaul economic package includes a federal minimum wage, mandatory "True Cost Accounting," a phased withdrawal from complex financial instruments, and other measures intended to improve life for ordinary Americans. One highlights list on Page A10, the also reported earlier, calls for passage of the "Ban on Lobbying" bill currently making its way through Congress.

Treasury Secretary Paul Krugman divided the importance of the bill. "Markets make great mistakes, terrible mistakes, and almost always," said Krugman, quoting Paul Huxley, an advocate of corporate responsibility and author of "Blood Money: How the Large Bank Movement in the World Came into Being and Why We Don't See It

Troops to Return Immediately

By ANN HARRIS

WASHINGTON — Operation Iraqi Freedom and Operation Enduring Freedom were brought to an end on Saturday as the White House announced that troops would be home within weeks.

"This is the last day we can get on the most unfortunate adventure to modern American history," Defense spokesman Kevin Simo said at a special joint session of Congress. "Today, we can finally enjoy peace — not the peace of the Iraqis, perhaps, but at least peace."

As U.S. and coalition troops withdrew from Iraq and Afghanistan, the United Nations will move on to rebuilding, peacekeeping, disarmament and reconstruction. There will be

A CALL TO CONSCIENCE... A CALL TO ACT:

Trump Must Go NOW!

In The Name of Humanity,
We Refuse to Accept a Fascist America

NOW IS THE TIME WHEN WE MUST BRING UP AND ACT TO STOP THE CONSOLIDATION OF TRUMP MAGA FASCISM. For the lives of people here and around the world, we must refuse to accept a fascist America. We must not let the streets and towns square with rising numbers - not stopping as it becomes a reality - not waiting until this regime is no longer able to implement the program.

It is unacceptable and dangerous to act as if this cannot happen in America. It is unacceptable to condone or accommodate in the name of protecting a few, when each day the thousands of lives are being lost, being harmed into place - being in a future that impacts all.

"Fascism" ... is a radically oppressive and repressive form of rule over the people of this country, with devastating impact on the people of the world. The rule of law is shattered. Civil and democratic rights are eliminated. States (by piece by piece criminalized). The truth is marginalized. Groups of people are demonized and targeted along a trajectory that leads to catastrophe.

We refuse to live in a society where the right for equality of people - no matter their race, gender, sex, nationality, or immigration status is rejected, vilified, and even forbidden.

WE DO NOT ACCEPT THEIR FUTURE

There can be no compromise or collaboration between the world we want and the society they want. We have no compromise with MAGA fascism.

There is a way to defeat this.

Millions in the streets in organized protest, not allowing business as usual when that business is carrying fascist rule with the clear disregard for equality downed our streets. MANY VOICES AND EYES DEMANDING: THE TRUMP FASCIST REGIME MUST GO! We this we can and must create a political crisis in which the Trump regime cannot govern and implement their fascist program or even maintain its hold on power.

WHAT IS REFUSE FASCISM?

Refuse Fascism is a national movement mobilizing the non-fascist majority of people in this country, those tired with horror and outrage at Trump and everything MAGA represents, to prevent the consolidation of fascism in the United States through nonviolent, mass, sustained protest.

We were founded on an emergency basis in the wake of the election of Trump and Pence in 2016. Our founding mission called on all who recognized the catastrophic danger of the Trump/Pence regime to unite and organize to defeat the regime out of power through sustained, nonviolent mass protest. We pledged to the world: "No! In The Name of Humanity, We Refuse to Accept a Fascist America!"

After Trump's second inauguration in 2025, we re-activated offering this pledge and raising the demand "The Fascist Trump Regime Must Go!" RefuseFascism.org works to unite all who can be united to join in mass, nonviolent protest and resistance in the street and throughout society, growing to include millions and refusing to stop until we create such a profound political crisis that Trump cannot impose his fascist program or even maintain its hold on power.
