

## BLOW THE WHISTLE ON ICE!

Shut Down ICE ! No Military Occupation ! Shut Down the Trump Fascist Regime !

**See Trump's ICE Gestapo? Blow this whistle!**  
Let people know ICE is here. Immigrants are under threat.

**Hear a whistle? Go toward it!**  
Nonviolently stand against the illegal and illegitimate violation of people's rights and lives.

There can be no "business as usual" in the face of fascism.

There is no neutral.

We in our millions can – and must – make this call a reality:

**TRUMP MUST GO NOW!**
