***For The Fall of The Trump Fascist Regime***

**GET TO DC NOW, Come back again & again because:**  
**THERE IS NO LIVING WITH TRUMP FASCISM!**

Children left screaming as masked ICE agents drag away their parents ... Members of Congress threatened with execution... Illegal War threatened against Venezuela... the Rule of Law shredded...Barbaric cruelty abounds...Fundamental Rights denied. EVERYTHING DECENT, TRUTHFUL AND MORAL, UNDER ATTACK.

If the Trump Fascist Regime is not driven from power now, it will continue to escalate its atrocities and violently crush all space to meaningfully oppose it.

**GET TO DC NOW, Come back again & again because: MIDTERM ELECTIONS ARE WAY TOO LATE!**

They are being rigged. No honest person can expect the tyrant who instigated, and then pardoned, the January 6<sup>th</sup> insurrectionists to respect any election he loses.

**GET TO DC NOW, Come back again & again because: THE POWER OF THE PEOPLE CAN DRIVE OUT TRUMP!**

We see this potential in the millions who have protested, defended neighbors and resisted. **But it will take masses of us flooding the streets of the capital in nonviolent protest to compel and enable those in power to move heaven and earth to remove Trump now while there is still a chance.**

**In the Name of Humanity, We Refuse to Accept a Fascist America**
