### **Fascism is tearing up the town**

(To the tune of "Santa Claus is coming to town")

You better wake up  
It's time to defy!  
You better rise up!  
I'm telling you why  
Fascism is tearing up the town.

They're coming for the immigrants  
They're coming for women and trans  
They're coming after students  
It's time to take a stand!

You better wake up  
It's time to defy!  
You better rise up!  
I'm telling you why  
Fascism is tearing up the town.

They're lunatics and madmen  
Measles is their friend!  
They gleefully kill fishermen  
Their murder will not end

You better wake up  
It's time to defy!  
You better rise up!  
I'm telling you why  
Fascism is tearing up the town.

They have a big long hit list  
The whole damn world's at stake!  
It's time to rise in millions!  
The regime is what must quake!

You better wake up  
It's time to defy!  
You better rise up!  
I'm telling you why  
Fascism is tearing up the town.

### **Trump and Vance**

(to the tune of Jingle Bells)

Trump and Vance, Trump and Vance

Fascists all the way!

Now's the time for us to fight

For all humanity!

They're kidnapping a child,

Shooting tear gas every hour,

Now's the time to say "hell no!"

And drive them all from power.

Trump and Vance, Trump and Vance

Fascists all the way!

Now's the time for us to fight

For all humanity!

Shoulder to the wheel, the world must hear the call,

Trump Must Go, Trump Must Go, Trump Must Go right NOW!

Come on folks, it's up to us

Seize the day and seize the hour

Trump and Vance, Trump and Vance  
Fascists all the way!  
Now's the time for us to fight  
For all humanity!

What kind of world will it be?

Should we just wait and see?

The hour is late but there's still time,

For changing history!

Trump and Vance,

Trump and Vance

Fascists all the way!

Now's the time for us to fight

For all humanity!

### **Standing Up Against A MAGA Fascist Plan**

(To the tune Walking In A Winter Wonderland)

Check it out - are you listening  
To the sound of folks resisting  
They're out day and night  
With no fear or fright  
Standing up against the fascist plan.

In the streets, they ain't quiet  
Folks can not deny it  
Time for Trump and his goons  
To leave us and soon.  
Standing up against the fascist plan.

Every day and every hour  
Let's speak truth and not cower,  
Boldly we'll say, By Night and by day  
We won't live in a Maga Fascist land  
We won't live in a MAGA Fascist land
