

WE MUST NOT WAIT FOR FUTURE AND RIGGED ELECTIONS THE POWER OF THE PEOPLE MUST DRIVE OUT THE TRUMP FASCIST REGIME TRUMP MUST GO NOW!

Fascism is not a looming threat. It is upon us now. **Humanity's only hope is for the decent people of this country to rise in our millions – nonviolently but with determination – to drive the Trump fascist regime from power.**

The People's Indictment of Donald Trump: A Unified Declaration of Illegitimacy, lays forth the crimes of Trump's fascist regime. A regime that aggressively resurrecting genocidal white supremacy, hatred of foreigners, and patriarchal subjugation of women and LGBTQ people. Shredding the rule of law. Paving the way for boundless terror against the people. Targeting everything that is decent, moral and good. **All at the whim of a debased lunatic tyrant.**

This is FASCISM. A different form of brutal rule. It cannot be lived with. It must be defeated.

We have protested. Marched. Came to DC from all over the country to demand "Trump Must Go Now."

We have defended neighbors from ICE. Decried genocide. Some of us have resigned or blown the whistle. This shows that there is a force of decent people in this country, millions of us.

Now we must take all this higher. We must direct all this and more towards the only thing that truly measures up to the existential threat humanity faces:

The Whole Trump Fascist Regime Must Be Driven From Power!

This Can Be Done. By refusing to surrender the future and our humanity to a vengeful fascist maniac. By millions rising in massive, unrelenting, nonviolent protest and resistance. By defying and refusing to comply with fascist dictates. By walking out. By shutting down. By fearlessly using our platforms and influence to inspire and challenge others to join us.

By coming back stronger in the face of attack and repression. Uniting, not dividing, across many viewpoints and backgrounds. Fostering a collective spirit of courage and righteous fury. Willing to sacrifice for the greater good of defeating this fascism.

History is full of examples where people who had right on their side fought against tremendous odds and were victorious. It is also full of examples of people passively hoping to wait it out, only to get swallowed up by a horror beyond what they ever imagined.

The future is unwritten. WHICH ONE WE GET IS UP TO US.
