

TRUMP MUST GO NOW!

THEY ARE MOVING TO LOCK FASCISM IN PLACE.

THE TRUMP REGIME is disappearing immigrants, criminalizing dissent, waging illegal war, and tearing down barriers to its power—to impose **white supremacy, male supremacy, Christian supremacy and American supremacy.**

RELYING ON THE MIDTERMS TO STOP FASCISM? THEY'RE ALREADY MOVING TO STEAL THEM.

Millions are staking everything on the midterms. But the Trump regime holds federal power, is suppressing the vote and moving to subvert the elections. Even a Democratic Congress leaves Trump in power.

They tried to overturn the 2020 election and unleashed violence when they lost. This time, they've purged those who might stand in their way, flout Congress, bent federal power to their will, and have the Supreme Court at their back.

This is a rolling coup. They are moving on every front to cement fascist rule—and shut down the means to remove them.

THIS REGIME MUST BE DRIVEN FROM POWER.

The force that could do it is millions refusing to go along.

A step too far by the regime—including an attempt to steal the elections—could awaken a sleeping giant, with millions pouring into the streets in sustained, determined, **nonviolent resistance.**

If that moment comes, will there be a force demanding—and settling for nothing less than—the removal of the Trump Fascist Regime?
