

Muslims and refugees are full human beings, not people to be shunned, banned, and cast out to be swallowed up by oceans and wars.

This is some of what the Trump/Pence regime is doing, and says it will do, to *MUSLIMS*:

- Imposed significant parts of a Muslim ban that bars people from six Muslim-majority countries and all refugees from entering the U.S.
- Instituted “extreme vetting” that especially targets people entering the U.S. from Muslim-majority countries.
- A Trump supporter in Portland murdered two good Samaritans who came to the aid of women he was threatening because one wore a hijab. He shouted, “Muslims should die.” It took Trump four days to tweet that the attack was “unacceptable.”
- Trump said nothing when a 17-year-old abaya-wearing Muslim girl, Nabra Hassanen, was kidnapped after leaving a Virginia mosque and battered to death with a metal bat.
- Hate crimes against Muslims have escalated.

Top: Taliesin Myrddin Namkai Meche, 23 and Ricky John Best, 53, murdered by fascist Trump supporter in Portland. Bottom: Micah David-Cole Fletcher, 23, who was wounded. Heroes all.
