RefuseFascism.org is organizing people across the country to rise to the challenge of driving from office the fascist Trump/Pence regime, before it is too late. A key part of RefuseFascism's plan is the *Drive Out the Trump/Pence Regime National Tour*. Organizers have set out from NYC in a van going to the South heading to Texas – areas where the two futures for the country and world are starkly contested.

NO!
 In the Name of Humanity,
 We REFUSE to Accept a Fascist America!
 Drive Out the Trump/Pence Regime!
 The Trump/Pence Regime is a Fascist Regime.
 Not insult or exaggeration, this is what it is.
 For the future of humanity and the planet,
 we, the people, must drive this regime out.
