

On U.S. Holocaust Remembrance Day **NO! 1933 – 2017: Never Again!**

Never again will we allow another Holocaust to happen to any people. THIS IS A CALL TO JOIN US!

Monday April 24, 4:00pm
Los Angeles County Sheriffs Department
211 W. Temple, Los Angeles, CA 90012

Procession from LA County Sheriffs Office to ICE Detention Center ~ JOIN THE PROCESSION!

We will wear concentration camp prison uniforms to represent the people destroyed by the Holocaust on Holocaust Remembrance Day, and other victims of genocide. We will present LA Sheriff Jim McDonnell, head Sheriff of LA County, Adolf ICEman Award (Adolf Eichmann was in charge of deportations to Nazi concentration camps) for collaborating with the fascist Trump/Pence regime, a regime who has called immigrants “violent... depraved... filth.”

ICE Detention Center, USA

Auschwitz Concentration Camp

To all Holocaust survivors, their families, relatives and friends, and those who deplore the thought of any future Holocausts or genocide against any peoples anywhere;

To people everywhere who stand with the Muslims, the Mexicans, the refugees, the immigrants from everywhere that have been vilified and targeted by the Trump/Pence regime in ways that echo the demonization of Jews and other groups in Nazi Germany;

To all who detest white supremacy, misogyny, homophobia, or xenophobia and do not want to see a repeat of “make Germany whole again”;

To all who refuse to accommodate, refuse to conciliate, refuse to collaborate with the Trump regime; To all who despise and fear the Trump regime and want to see it driven out;

Join us in wearing the NO! everywhere... on T-shirts, jackets, uniforms, hats... In Germany, Jews were forced to wear the yellow Star of David, political prisoners the red triangle, and homosexuals the pink triangle. We proudly choose to wear the NO! to symbolize opposition to the Trump/Pence regime and its efforts to brand any new group of people as “undesirable.”

After the Holocaust, millions said, “Never Again!” If “Never Again!” is going to continue to mean anything, it has to mean something now - when immigrants, Muslims, and people all over the world are being threatened by the Trump/Pence fascist regime in the most powerfully militarized country on earth.

In the Name of Humanity, We Refuse to Accept a Fascist America! Drive Out the Trump/Pence Regime!
