

JULY 15, 2017 NATIONWIDE PROTESTS

THE TRUMP/PENCE REGIME MUST GO!

In the Name of Humanity, We REFUSE to Accept a Fascist America!

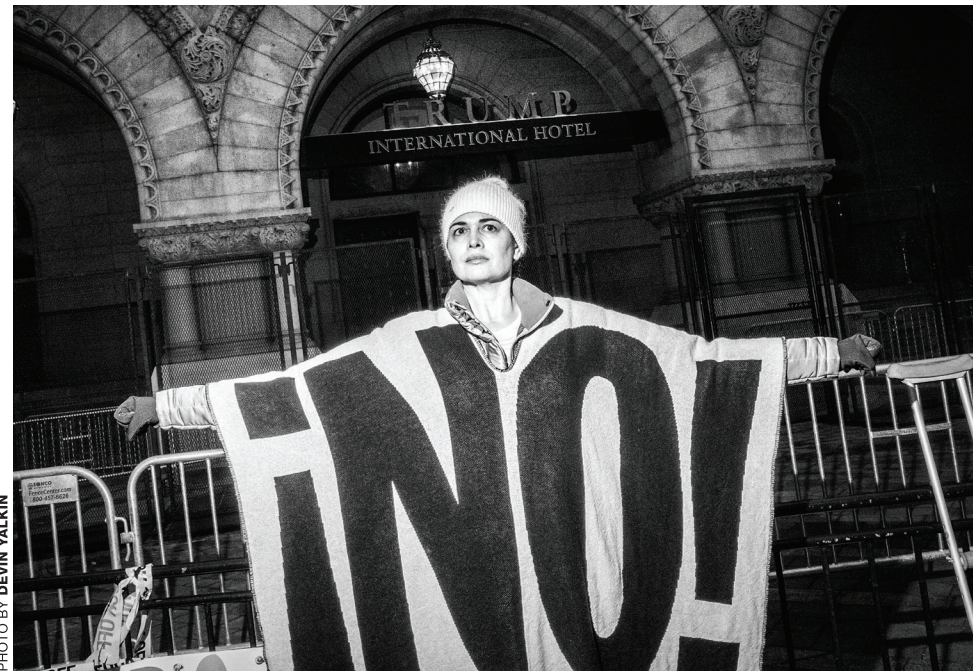

The Trump/Pence Regime has already done tremendous damage. They must be stopped before it is too late.

As the eyes of the world are fixated on investigations and congressional hearings, the truth is this: these investigations—along with significant protests and other obstacles—have delayed some aspects of the Regime’s

fascist program, but all this has also increased the compulsion the Regime feels to steam-roll ahead with its fascist program and to aggressively bludgeon and eliminate all opposition.

We can’t let this happen. We must seize on this “struggle at the top” to break through with our demand: The Trump/Pence Regime is illegitimate because it is fascist and all of us must join in struggle to drive it from power.

COME OUT SATURDAY JULY 15!

Wherever you are, take the streets, demanding:
THE TRUMP/PENCE REGIME MUST GO!

The Trump/Pence Regime is ramping up harsh repressive measures against immigrants, inner city youth, and against the right to dissent. They're pushing a budget and a "healthcare" plan of starvation, disease, impoverishment, and hatred of women. They are ratcheting up the destruction of our planet. Hard-core supporters of the regime are holding KKK/Nazi-style rallies, assaulting journalists, targeting the campuses, threatening lynching, and actually murdering two men who stood up to them in Portland, Oregon.

There is still time to stop a fascist America, but there is not a lot of time. 2018 is too late. There is no shortcut; **real change has always come from determined struggle from below.**

Protests on July 15 are part of organizing toward the time when millions of people can be moved to fill the streets of cities and towns day after day and night after night, declaring this whole regime illegitimate—demanding, and not stopping, until the Trump/Pence Regime is driven from power.

July 15 in cities across the country stand together with conviction and courage, overcoming fear and uncertainty, to resist and say **NO!** Not just for ourselves, but in the name of humanity.

July 15, 2PM: U.N. Plaza in San Francisco
