DEMONSTRATE!

The TRUMP/PENCE REGIME MUST GO!

**In the name of humanity,
We REFUSE to Accept a Fascist America!**

From RefuseFascism's *Call to Action*: "The Trump/Pence Regime is a Fascist Regime, Not insult or exaggeration, this is what it is. For the future of humanity and the planet, we, the people, must drive this regime out.

"Fascism is not just a gross combination of horrific reactionary policies. It is a qualitative change in how society is governed. Fascism foments and relies on xenophobic nationalism, racism, misogyny, and the aggressive re-institution of oppressive "traditional values." In Trump's election campaign he encouraged and fed on the threat and use of violence to build a movement and come to power. In his inaugural address he pledged allegiance only to this movement. What is crucial to understand is that **once in power fascism essentially eliminates traditional democratic rights.**

"Even as the Trump/Pence Regime is moving fast, they have not yet fully consolidated their regime, or, as yet, been able to implement their full program. But, this is their objective and it is very possible. It might only take a single serious crisis – international or domestic — for this regime to drop the hammer. We do not have much time.

"Let it not be said that we did not move heaven and earth to drive out this regime. **This must be a moment in history when millions stand together with conviction and courage, overcoming fear and uncertainty, to resist and say NO! Not just for ourselves, but in the name of humanity.**"
