

Urgent Gathering:

**Why the Trump/Pence  
Regime Is Fascist**  
and  
**Why and How It Must  
Be Driven Out**

With Andy Zee,  
an Initiator of Refuse Fascism

**4 to 7 pm, Sunday, March 5**

at LGBT Community Center Room 301  
208 West 13th St between 6th & 7th Avenues  
Coffee, snacks -- invite your friends

Donald Trump and Mike Pence have assembled a vicious cabal that has begun initiatives which show that they fully intend to shred political and social norms with catastrophic consequence. Millions of people have taken to the streets and protest and resistance continues against the many attacks on the people by the Trump/Pence administration. This must grow broader, deeper, and more determined. This resistance is righteous and necessary, but it is not sufficient.

First of all, we need to understand what we are up against, FASCISM. Come join us in digging into the big questions:

- 1) **What is fascism? and why is the Trump/Pence regime fascist?**
- 2) **What is the direction and trajectory of fascism?**  
The Trump/Pence regime is fascist but as yet has not been consolidated. We still have time to drive it out.
- 3) **Why you cannot normalize, accommodate with, conciliate with, and collaborate with fascism.**
- 4) **What can and must be done to drive this fascist regime from power.**

Join us on Sunday. **Bring your hardest questions.** Let us work together in our millions to drive out the Trump/Pence Fascist Regime. The lives and futures of the world's people is at stake.
